Pronto of Long Island, Inc.

Pronto of Long Island, Inc. is an outreach center whose mission is to feed the hungry, clothe the needy, welcome the stranger, and provide healing and hope to everyone who walks through their doors. Pronto opened in 1969 from the vision of a group of committed lay people and clergy at St. Anne's Roman Catholic Church. Since then, it has gone through several reincarnations resulting in unique partnerships with Catholic Charities, food distributors and local markets, as well as health, welfare, benefit and educational providers. Pronto will expand their outreach in the community and assist those who may not have access to formal cooking facilities. Pronto has been able to flourish based on contributions of clothing, household items and monetary donations. As always, this vision is fueled by prayer and the hard work of committed volunteers, and with these two powerful elements, Pronto cannot help but succeed. Pronto is a nonprofit partner of the United Way of Long Island.

Pronto of Long Island, Inc. is a member of the FREE Network, which collaborates with a variety of diverse 501(c)(3) nonprofit partners on educational, vocational, rehabilitative and a myriad of other creative initiatives to enhance the local communities and the lives of more than 25,000 people that reside within them.
